

## HELP US PROTECT OUR PRISTINE MOUNTAIN WATER!

My name is Barry Green and I'm leading an effort in Fish Camp to acquire the meadow behind the Post Office to protect our town wells, our pristine drinking water and the pure stream that now flows down Big Creek into Yosemite National Park. The acreage is available now if we raise sufficient funds by June. Help us protect our water and Big Creek Meadow by giving as much as you can today! **To make a Tax Deductible Donation to acquire the Fish Camp Meadow on Big Creek at Yosemite, send your check to:**
